Denali Training Fund Final Report

Funds for this project are provided by the USDOL and the Denali Commission and managed, in partnership, by the Alaska Department of Labor and Workforce Development.

Name of Organization: Bristol Bay Area Health EN 796172 File 9-205	
Name of Project: Training for Community Health Aide Program (CHAP) & Janitor Training	
Reporting Period: 12/23/08 – 6/30/09	
Contact Person: Rose Heyano, CHS Director	
Contact Number: (907) 842-9422	Email Address: rheyano@bbahc.org
Award Year: 2009	Award Number: 366-P
Original Amount Awarded: \$170,307.00	Final Expenditures: \$170,307.00
Certification: I certify that the information in this report is current, correct and true and in accordance with the terms and conditions of the agreement.	
Signed by: <u>Rose Heyano</u> Dated <u>7-23-09</u>	

1. A. In a few sentences, please describe the initial scope of your project.

CHAP Forum: Bristol Bay Area Health Corporation (BBAHC) requested this funding to allow the Community Health Aides to be brought into Dillingham for a 5 day training session. This training opportunity provided all of the attendees with required Continuing Medical Education credits.

BBAHC Housekeeping Training: housekeeping procedures for infection control, chemical, electrical, ladder safety and slip and fall prevention.

B. Did you modify the scope or the budget at any time during this project? If so, please explain.

The scope of the budget did not change for both training sessions. Yes, the budget did change; we requested that \$10,000 be moved from Contractual to Personal Services because the individual that this was budgeted for was an employee instead of a contracted worker.

2. A. How many people did your original proposal intend to train?

CHAP Forum: 80

Housekeeping Training: 30

B. How many people did you ultimately train?

CHAP Forum: 55

Housekeeping Training: 38

TOTAL combined: 93

Please attach a final list of participants, their community, certification and where they are employed.

Thomas Weedman	Dillingham	Janitor	Bristol Bay Area Health Corporation
Beryl Backford	Dillingham	Janitor	Bristol Bay Area Health Corporation

C. If there is a variance between original and final, please explain.

Any variance was due to last minute staffing situations or family issues that would not allow the Community Health Aide or Janitor to travel here to Dillingham to attend training.

3. Please tell us about lesson(s) learned during this project.

CHAP Forum:

- a. Updates on Diabetes
- b. Education on documentation and compliance
- c. Education on colorectal screening and cancer
- d. Hands on training on suturing techniques
- e. Infection Control updates
- f. Education on depression and suicide

g. Education on interaction between the Community Health Aides and Law Enforcement

Housekeeping Training: The trainees are grateful for the training received. Facilities don't usually budget for Housekeeping/Custodian training, so to have three days of training was great.

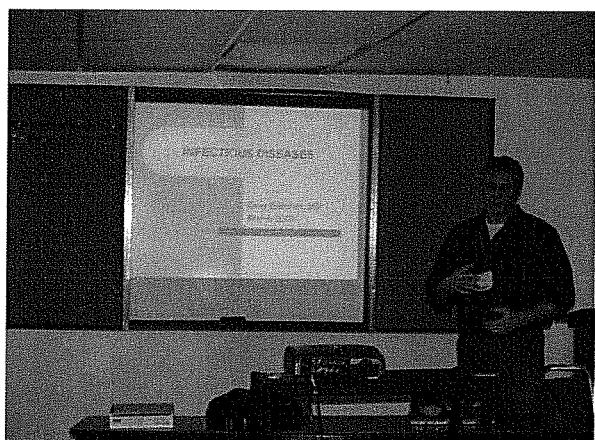

4. Please provide a minimum of one success story for this project.

Many of the Community Health Aides made positive comments of and interacted well with the Colorectal Screening/Cancer presentation. Additionally, a large number of Health Aides found the hands on suturing demonstration beneficial. BBAHC's med staff participated and interacted very well with all the students. Even many of the seasoned veteran Health Aides made positive comments of this presentation.

For the Housekeeping training; many of the Janitors voiced their appreciation of the training and mentioned how much they learned especially in the Infection Control area and were very excited to practice what they learned at their Village Health Clinics.

5. Please attach a few photos with descriptive captions.

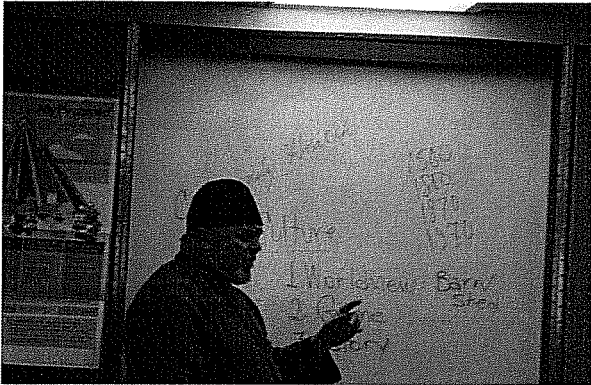

BBAHC Chap Forum
